Property Damage
Is Estimated in
Millions in
Big Area

(By The Associated Press)
Tornadoes and violent windstorms whipped across seven states over the week-end, killing at least 21 persons and injuring more than 160.

Property damage was estimated in the millions.
West Virginia and Kentucky communities were hit by tornadoes last night. Twisters hit in Missouri, Oklahoma and Kansas Saturday. High winds and heavy rains occurred in Indiana and Illinois.

The death toll by states: West Virginia—six; Kentucky—two; Oklahoma—five; Missouri—three; Kansas—two; Illinois—one. In West Virginia, tornado winds ripped through six rural communities near Charleston in the northern part of the state. State police reported more than 65 persons were injured.

In Kentucky, a tornado hit Alpha, a town of 140 in Clinton county. The storm wrecked the Baxter Chapel Church where an estimated 125 were attending services. At least 50 persons were reported injured in the county. Many of the injured were in the church.

Deputy Policeman Wiley Gregory said that quite a few houses were destroyed. Alpha is midway between Albany and Monticello near the Kentucky-Tennessee border.

Rescue workers sought additional victims in the debris and mud of the tornado-battered West Virginia communities. Wrecked automobiles, trees and debris from nearby strip-mining operations cluttered U. S. Route 19 leading to the damaged town of Hupp, W. Va.

The twister hit in West Virginia about 9 p. m. (E.S.T.). Hospitals were jammed. All available doctors and nurses in the stricken areas were called on duty. Charleston Fire Chief J. J. Martin reported broken gas lines snarled in Mount Clare, adding to the havoc. Lawrence McKinney, a storm victim, said he saw at least three homes ablaze.

Ten persons were killed and at least 38 were injured in the tornadoes in Oklahoma, Missouri and Kansas.

A storm struck in the Grand Lake area of northeastern Oklahoma, hitting the resort towns of Broken, White Oak and Grove. Five persons were killed at Broken. Thirty-one persons were injured in the Grand Lake area.

Sixty miles north of the Grand Lake area, twisters hit near Erie, Kan., killing two persons and injuring five.
Tornado winds whipped across the Lake of the Ozarks in Missouri, damaging hundreds of cottages and houses. Three members of the dance band were killed.

Americanism Rally Is Held At Municipal Auditorium

The need for a daily re-dedication to the American principles and for a firm stand by all loyal Americans against the widespread and effective propaganda of the Communists were the central themes of a series of talks by qualified persons at the Americanism rally at the municipal auditorium Saturday night.

Although fewer than 250 persons were present, the speakers all pointed out that much good would come from the program, if those few would carry the message to those persons who stayed away. At the same time, several of the speakers scored the complacency prevalent here today.

The main addresses were given by the Rev. J. Donn Dykstra, pastor of the Fair Street Reformed Church; Rabbi Frank

U.S. Experts Await News On Display

Diplomatic Observers
Saw What Russian
Air Force Displayed
at Parade
'B-29s' Are Seen.

Soviet Tu-70s Called
Very Much Like Big
American Craft

Military experts here await the arrival of more detailed reports from United States diplomatic observers at the May Day parade before analyzing what the Red Air Force put out for show.

It is likely that at least some of the big planes were the Soviet Tu-70, an aircraft bearing close resemblance to the American B-29.

The assumption has been that the Russians copied many of the features of five B-29s known to have been forced down in Soviet-controlled area during the war. Photographs of the Tu-70 indicate it may be a transport-bomber. Although its elongated fuselage appears to be a conventional design, the plane carries the proximity fuse used by bombardiers for sighting.

The installation of bomb bay doors (if they are not indeed built into the transport version) and of bomb bays would be an easy matter of conversion. Requiring more time would be the addition of defensive guns to the transport.

The Tu-70 is reported to have a passenger capacity of 72. It is to be presumed, however, that this could be increased substantially if the plane were used strictly as a troop carrier.

If its performance compares with that of wartime B-29s, the Tu-70 could carry troops up to 3,000 miles from its home base. The range would be about half of that distance if the plane were to drop paratroopers and return to base.

This would mean that with Tu-70s, Alaska would be within easy range for an attack by commando-type Russian forces intent on seizing airfields there.

Russia is known to be giving considerable attention to airpower. Estimates of the size of her air force range up to 200,000.

But to employ a force of this size, the Soviet Union would need heavily stepped-up production of the long range type. (Some commentators estimate as many as 800 large transports are required to move one division of 16,000 soldiers.)

There are only official guesses as to the number of big bombers or bomber-transporters that Russia might possess.

Secretary of Air Symington has estimated that Russia may have at least 1,000 long range bombers. Gen. Carl Spaatz, former air force chief of staff, guesses that she could produce from 500 to 1,000 more a month.

The United States, which built some 3,000 B-29s during the war, has fewer than 1,000 in service now but between 1,200 and 1,500 in storage.

Russia's need for a large "air lift" for troops arises out of two deficiencies:

1. A comparatively small merchant fleet and navy. This means that if she had any overseas ambitions, she would have to count heavily on the initial stroke, on air transportation.

2. A rail system entirely inadequate to provide heavy troop transport to borders thousands of miles distant. For purposes of quickly building up defense garrisons, Russia must turn to the air.

House Committee Approves Draft Bill By 28 to 5 Vote; Would Be First Peacetime Draft in Nation's History

Jews Say Armies Invade Palestine; Truce Is Guarded

British Rush Soldiers Back
Into Country Less
Than Two Weeks
Before Deadline

Jerusalem, May 3 (AP)—Jews insisted today, in the face of denials, that Syrian and Lebanese armies have invaded northern Palestine.

The British rushed soldiers back into the country to deal with what they called a "seriously deteriorated situation, less than two weeks before the May 15 date they have set to end their rule."

They guarded a new 48-hour truce between Jews and Arabs in the southern Galilee quarter of Jerusalem while they negotiated for a truce to cover the whole city and its Christian, Jewish and Moslem shrines.

The truce, enforced by the Highland Light Infantry, apparently was being respected. Its spirit was evident all over Jerusalem. Not a single shot was heard today from within the city, either in the new or in the old quarters. Sporadic fighting was audible from some outer suburbs.

The first British reinforcements were an estimated 1,000 soldiers in full battle dress who reached Haifa yesterday from Cyprus aboard the troopship Empress Test.

Before that, competent sources had estimated British strength in Palestine at 25,000 troops, including skeleton armored and gun forces. The British army has been shipping out under a pledge to be gone by Aug. 1.

Official sources in Amman, Trans-Jordan, said Thursday that Jordan, Syria, Lebanon, Egypt and Iraq would send at least 30,000 regulars to "rescue Palestine before May 15."

The strength of the Jewish militia (Haganah) is estimated unofficially at 53,000 and that of the Jewish underground Irgun Zvai Leumi and Stern Group together at 2,500 to 7,000.

Haganah, which had announced an Arab invasion Saturday of Palestine's northernmost thumb, said in Tel Aviv last night that attacks on five Jewish settlements there had been beaten off but Syrian troops still were mulling on the border.

The latest announcement said Ramot Naftali had been attacked with tanks, armored cars, 25-pounder cannon and mortars, and Lahavot, Nabashan, Kefar Sazul, Dan and Dafne also had come under assaults, which had subsided. It reported the Jews suffered one soldier killed and two wounded in Dafne and unspecified losses at Ramot Naftali. It mentioned no Arab casualties. It said the

Fire Razes House Near Woodstock

Windsperger Residence
Destroyed Sunday;
Owner Burned

Woodstock, May 3—A fire discovered at about 9 a. m. Sunday destroyed the two-story house of Adolf Windsperger on the Woodstock-Saugerties road.

The blaze which was reported discovered by the owner of the house as he was milking a cow in a barn on the property, burned swiftly and was too far beyond control when three units of equipment from the Woodstock fire station arrived.

The entire structure, which was a combination of wood and stone and considerable furnishings and equipment were destroyed. Damage, estimated roughly, is believed to be in excess of \$10,000, it was reported today.

The Windsperger property is about a mile and a half north of the village of Woodstock and opposite the intersection of the Saugerties-Woodstock and the Zena roads.

Fleetsman had no definite report as to possible origin of the blaze, but it is thought that it might have started in a chimney.

The house, a recent landmark in the area, was built largely by its owner and was architecturally unique. Windsperger, a retired engineer, devoted much of his time to the teaching of figure skating.

Supervisors to Buy
Headquarters for
Health Personnel

Loughran Residence Is
Being Considered as
Site by County
Officials

Purchase of a property to house the Ulster County Health Department which is now located on Albany avenue will probably be one of the matters to come before the Board of Supervisors at a special meeting this evening. One of the properties which has been under investigation for some time is the two-family brick house of Mrs. Edward Loughran at 15-17 Main street adjacent to the Sea Grill.

It is reported that terms have been arranged and this property probably will be purchased by the county to house the health agencies.

The former Dr. McCambridge residence on Albany avenue, which has housed the county department since its organization, recently was sold and has been leased from month to month since.

Several sites have been under consideration but the Main street property, because of its location, is deemed best. There is ample room in the two story property for the various departments and it is expected that the board will take action this evening for its purchase. No official verification of the report was available today.

In addition to considering the purchase of a property to house the Board of Health, the board will also act on bids which have been received for plumbing work in the tumor clinic which is under construction on Broadway.

It is reported the Albany avenue site now occupied by the Board of Health may be used for a supermarket. There is a large tract of land surrounding the present residence.

Taylor Faces Charge Of Disorderly Conduct

Birmingham, Ala., May 3 (AP)—Sen. Glen Taylor (D-Idaho), running mate for Henry Wallace on the third party presidential ticket, faces a charge of disorderly conduct at a hearing set for Tuesday night in police court here.

Taylor was arrested Saturday night as he sought to enter a meeting of the Southern Negro Youth Congress in a Negro church. He was fingerprinted and released in \$100 bond.

The charges against the third party vice presidential candidate stemmed from Birmingham's racial segregation laws.

The senator, however, attempted to brush past him, the patrolman said.

Police left here Sunday afternoon for Washington, because of what he termed "urgent Senate business." He said he would return Tuesday in time to face charges "illegally pressed against me."

In a statement before leaving Taylor said "My arrest, and my being in a blatant violation of my constitutional right, the local segregation ordinance is unconstitutional and we are prepared to carry this test case to the United States Supreme Court."

Meanwhile in Kansas City yesterday, Wallace said the arrest of Taylor demonstrates the hypocrisy of spending billions in the name of freedom abroad while freedom is trampled here at home.

Script Writer's Daughter Hurt at High Woods

Sandra McGill, 16, of 1 West 64th street, New York, daughter of Jerry McGill, who writes the radio serial "Big Town," was injured Sunday afternoon when she fell from a horse while riding with another girl at High Woods.

The injured girl was treated at the office of Dr. Lester E. Sonking at Saugerties and was later taken to the Kingston Hospital. Dr. Sonking reported today that she suffered a concussion and said her condition was "fair."

The McGills have been summer visitors at High Woods for several years and Jerry McGill has been a top-flight radio writer for more than a decade.

Spanish War Vets Observe Their 50th Anniversary

Dinner and Entertainment
Held at Hotel by
Colonial Camp
Saturday

Members of Colonial Camp No. 75, United Spanish War Veterans, gathered at the Governor Clinton Hotel Saturday evening to observe the 50th anniversary of war-time service with a dinner, speeches and entertainment.

The guest speakers were Captain Andrew S. Hickey, U.S. Navy, retired; Colonel Johnathan G. Huston of Cold Spring, who recently passed his 53rd birthday; Colonel Girard McIntee, U.S. Army, retired; and James Krom, secretary of the Kingston Veterans Association.

The meeting was called to order by Commander Ezra Quick and the pledge to the flag was recited in unison, followed by a salute to the colors.

A standing tribute with prayer was then given to members who had passed away during the present year. These were Edward De-nuy, past commander; Eben Bush-well; Louis Ruzzoni, who lived at Swampscott, Mass., and John M. Wilkie.

James Krom reported that, of the members who have died during the past 50 years, 73 were buried in Kingston, of which 29 are in Montrose cemetery, 25 in St. Peter's cemetery and one in the Aqueduct Ashim cemetery. Krom was commended by those present for the accurate records which he has kept of the membership of Colonial Camp.

Captain Hickey in his remarks said that he was a small boy when the Fourteenth Separate Company left Kingston in 1898, but after he graduated from Annapolis in 1907 and was stationed on a ship at Jamestown, Va., during the exposition there, he had the pleasure of having a number of the members of the company call on him.

The retired naval captain then gave an address on what he termed prevailing propaganda in this and other countries.

Colonel McIntee said that he had two brothers who served with the Fourteenth Separate Company. Continued on Page Fourteen

Taft and Stassen Complete Battle for Ohio Delegates

Cleveland, May 3 (AP)—Senator Robert A. Taft and Harold E. Stassen wind up their Ohio delegate battle today amid signs that the outcome may sway early G.O.P. presidential balloting at Philadelphia.

Both candidates planned last hour appeals over state-wide radio hookups tonight in their contest over 23 of Ohio's 53 presidential nominating votes.

Both camps expressed confidence in the results when up-wards of 700,000 Republicans vote in tomorrow's primary.

Politicians were watching the outcome for its possible effect on foot-loose delegations from such states as Illinois and Pennsylvania, where the bloom of favorite sons might fade quickly.

From the Taft camp came reports that a majority of the 56-

Mayor Oscar V. Newkirk Makes Appointment of Industrialist; Term 5 Years

Chester A. Baltz of 70 Clinton avenue has been named by Mayor Oscar V. Newkirk to the Board of Education, to replace Bernard A. Feeney, whose term expires on May 4 of this year. He was appointed for a term of five years.

Baltz is the founder and president of C. A. Baltz & Sons, Inc., pajama and sportswear manufacturers, with their main plant at 49 Greenkill avenue.

A native of Waterbury, Baltz came to Kingston in 1908, four years after his graduation from St. Lawrence University. He was employed here by Millen, Aikenhead & Company until 1920, at which time he went into business for himself, establishing the present Baltz factory.

Since that time he has opened two other plants, one at Salem and one at Granville, both under the C. A. Baltz & Son corporation. He is a past president of Kingston Kiwanis Club, a member of the First Presbyterian Church, and has for 20 years been a member of the board of directors of the Kingston Y.M.C.A.

He is the father of five children, two of whom, Chester, Jr., and Harold H. Baltz, are associated with him in the business. Baltz has never held public office before, he said today.

Boys Will Take Jobs

Members of the Kingston Boys Club are available for work in connection with the annual spring clean-up campaign. Alexander S. Fuhrman, founder and director, said today. Those wishing boys to cut grass, clean the yard, run errands, or to take care of babies when the parents are away are urged to visit club headquarters, 21 Clinton avenue, any afternoon after 3:30 o'clock, where they may meet and become acquainted with the boys. Otherwise, they may call Fuhrman at 1011-W any morning and ask that a boy be sent.

Forrestal Declares Need Imperative in Order to Augment Size of Armed Forces

Washington, May 3 (AP)—The House Armed Services Committee today approved 28 to 5 a two-year draft bill.

The vote puts the issue for selective service formally before congress for the first time since the war. The measure calls for the nation's first peacetime draft.

Before voting, the committee heard Secretary of Defense Forrestal call the measure "excellent."

"There is an immediate and imperative demand for something to augment the size of our armed forces," Forrestal said. "This bill provides it."

Motion Rejected

Van Zandt, Republican,
Asked Delay Until
Senate Acts

The five committee members voting against the bill were Reps. Short (R-Mo.), Bishop (R-Ill.), Philbin (D-Mass.), Havenner (D-Calif.), and Heffernan (D-N.Y.).

Rep. Clason (R-Mass.) asked that the vote be taken in secret. Chairman Andrews (R-N.Y.) and Rep. Vinson (D-Ga.) opposed and there was a public vote.

The committee voted down a motion by Rep. Van Zandt (R-Pa.) to defer action until the senate acts on a combined draft-U.M.T. bill tentatively approved by the Senate Armed Forces Committee.

Under the senate bill, there would be a draft of men for regular service in the armed forces and a draft of 18-year-olds for training as reserves.

The House bill provides only for a draft for regular service. Chairman Andrews (R-N.Y.) called the senate bill "a final look at the measure before a formal committee vote. Royall said it is 'thoroughly acceptable to all the services'—army, navy and air force."

They did not ask that the committee put in provision for limited training of 18-year-olds, but Forrestal emphasized that he still believes universal military training is needed.

Andrews has been assured by House leaders that the bill will be called up for debate next week.

As the committee gathered, there was a possibility that one of its members might try to hook a delayed-action universal military training amendment onto the draft bill when it goes before the House. Other members did not think much of the idea.

Andrews stood on the sidelines for this argument. He said the only thing on his mind right now is getting the draft measure out of the committee's hands and onto the floor.

Principal Provisions

1. It would raise the total authorized manpower of the armed forces to 2,005,882—army 837,000; air force 502,000; and navy and marine corps 666,882. The present total strength is 1,394,500.

2. Men from 18 through 30 would be registered, with those from 19 through 25 liable for two years' service. Men in the 19-26 group could enlist voluntarily in the regular army for two years, but in no other service.

3. Most veterans could be exempted from service, but those under 31 would have to register.

4. Industrial plants could be seized by the government if they refused to give top priorities to armanent orders, or if they did not provide equipment at what the secretary of defense considered reasonable prices.

5. Doctors up to 45 years old could be drafted for two years' service. The armed forces would be allowed to call for doctors up to five per cent of their total manpower and dentists up to two per cent. At full strength that would put some 300,000 doctors and 40,000 dentists into uniform, counting those already in service.

6. Ministers, divinity students and some conscientious objectors would be exempt from service. Objectors willing to perform non-combatant service would be inducted for such service only.

7. Deferments for schooling, dependency, and occupation would be determined by the President.

8. The law would expire two years after it went into effect.

The possibility of a U.M.T. rider was brought up by Rep. Towse (R-N. J.) author of the training bill which the House Rules Committee has blocked for months. It was approved by the Armed Services Committee last summer.

Increases Are Granted

Easton, May 3 (AP)—The 33 bishops of the Methodist Church in the United States today were granted \$1,500-a-year cost-of-living increases. The general conference, legislative body of the denomination, swinging into its first full day's business in its ten-day meeting here, raised the bishops' compensation from \$7,500 a year to \$9,000 a year. A previous grant of \$1,800 to each bishop to maintain a residence was increased to \$2,000. The salary increases were the first in eight years.

Hummer Is Hurt In Fall From Car At 40 & 8 Parade

Left Arm and Shoulder Are Injured in Accident at Cossackie

Charles H. Hummer, Jr., 52, of Richmond Park, was injured Sunday at Cossackie when he fell from the locomotive of Ulster County Vulture 381. Forty and Eight given a demonstration and parade given by units of the organization from several counties.

The local man, who is connected with the Hummer feed and grain establishment at 36 O'Neill street, suffered injuries of the left arm and shoulder and was reported in fair condition at the Kingston Hospital today.

As grand lampiste passe of the organization, Hummer was in charge of the locomotive and was riding on the front, when according to reports by those attending the affair, he had apparently lost his balance and fell.

The Ulster County Vulture and those from Albany and Rensselaer counties were guests of the Greene County Vulture at a "Promenade and Wreck" in Cossackie.

Others in the engine were Thomas Bolan, Wesley O'Brien and Anthony Alcega, who was driving. Observers reported that the quick action of Alcega in swerving the vehicle prevented its right wheel from passing over Hummer.

Reports indicated that the injured man had struck the right front guard of the vehicle and observers reported that the belt of his uniform might have caught on some part of the locomotive.

The vehicle, it was reported, was traveling at about 10 miles an hour at the time and was only about 125 feet from the point where it was to be parked.

Hummer was given first aid treatment by a doctor in Cossackie and was brought to the Kingston Hospital. He is under the care of Dr. C. B. VanGaasbeek, who said today that he could not "go into detail" as to the extent of the local man's injuries.

British to Keep Replica Of 'Kittyhawk' Plane

London (AP)—The British will place a replica of the historic Wright brothers biplane "Kittyhawk" in their science museum when the original goes home. The replica is being built by students at the DeHavilland technical school.

Under the will of Orville Wright the "Kittyhawk", which made the first powered flight with a man aboard in 1903, soon will be returned to the United States.

He sent the craft to England after a long dispute with the Smithsonian Institution in Washington, D. C. The Smithsonian had credited the Langley "aerodrome," which was wrecked in a launching a few days before the Wrights flew their plane, with being the first capable of powered flight with a pilot.

Mrs. Grace S. Longto, widow of Fred Longto of 163 North street, died Sunday night following a long illness. She was born in Saugerties, the daughter of the late Willett and Alice Myers Baldwin and had made her home in Kingston several years where she was held in high esteem by a large circle of friends. Surviving are six sons, Mason Sickles of Montreal; Albert Sickles, Troy; Fred, Constant, Willett and Joseph Longto, all of Kingston; three daughters, Mrs. Michael Sottile of Louisville, Ky.; Mrs. Wilfred Hahn and Miss Thelma Longto, Kingston; a brother, Willett Baldwin of Saugerties; three sisters, Mrs. George DeGroat, Forest Hills, L. I., and Mrs. Harry Overbaugh, Saugerties; 25 grandchildren and nine great grandchildren. The funeral will be held from the Jensen & Deegan Funeral Home, 15 Downs street, Wednesday at 1:30 p. m., and 2 p. m. at the Ponckhockie

Congregational Church. Burial will be in the family plot in Mountain View Cemetery, Saugerties.

The funeral of Mrs. Daniel McDonald was held Saturday at 9 a. m. from the James M. Murphy Funeral Home and at St. Peter's Church 9:30 a. m. where a high Mass of requiem was offered by the Rev. Joseph A. Gals. The responses to the Mass were sung by Edward Cherney, assisted by organist Anne Goldrick. Many friends of the deceased assisted at the requiem. During the time the body reposed in the funeral home, a multitude of family acquaintances called to offer their sympathy and condolence to the bereaved. Father Geis and the Rev. Henry E. Herdgen visited the home and recited the prayers for the dead. There was a profusion of flowers and dozens of Mass cards, silent tokens of the esteem in which the deceased was held. The bearers were John Reilly, James D. Maroon, Stephen M. Connelly, Donald McGowan, Jules Albertine and Sheldon O'Rourke. Burial was in the family plot in St. Peter's Cemetery, where the final absolution and blessing were given by Father Herdgen.

Mrs. Myra E. Schreiber of 128 Downs street died suddenly early Sunday morning in this city. She had been very active as a member of St. Paul's Evangelical Lutheran Church of 111 West Chester street. She was a member of the Ladies' Aid Society and Couples Club of the church and also of the Ulster County Chapter No. 445, O.E.S., of which she was a past treasurer; Wilmette Chapter, D.A.R., and Coterie. The death of Mrs. Schreiber came as a great shock to her family and associates. Besides her husband she is survived by a daughter, Grace Norma Schreiber of this city; her mother, Mrs. Myra L. Dickinson of Whately, Mass.; two sisters, Mrs. E. L. Canney of Whately, Mass., and Mrs. Wesley Harlow of Northampton, Mass., and several nieces and nephews. Funeral services will be held from the W. N. Conner Funeral Home, Monday evening at 8 o'clock and at Bender Brothers Funeral Home, 301 Alexander street, Rochester, N. Y., Wednesday at 9:30 a. m. Burial will be in the family plot in Mt. Hope cemetery, Rochester.

Mrs. Laura C. Gray Tice, wife of Ulysses G. Tice, died at Veterans Memorial Hospital, Ellenville, Saturday night. Mrs. Tice entered the hospital Friday noon following a heart attack. She had been in failing health for the past six months. Besides her husband, an Ellenville contractor and builder, one daughter, Grace, wife of William C. Murray of the C.A.A. Bureau in Albany and several nieces and nephews survive. Mrs. Tice was born at Nanapanoch August 8, 1872 and moved to Ellenville in 1880, where her father, a well known lawyer opened a law office. He died about 40 years ago. In 1880 she was married to Mr. Tice and since that time she had resided in Ellenville with the exception of about 10 years when they resided in the west. Mrs. Tice is a daughter of John G. Gray who was a lineal descendant of William Brewster of the Mayflower. Mr. Gray was a grandson of Oliver Besley, a Huguenot, who was the first settler at Greenfield where he came to reside from Westchester in 1780. Mrs. Tice was the last survivor of the four children of Mr. and Mrs. Gray. She had been very active in the Methodist church and as a young woman was well known in musical circles, having possessed a very fine contralto voice. Funeral services will be held from the Wood and Lambert Funeral Parlors, Wednesday at 2 p. m. The services will be conducted by the Rev. George R. Hyatt of St. John's Episcopal church. Burial will be in the Gray family plot on Fantine-kill cemetery.

MOTHERS' DAY

The heart is glad
And life is gay
We speak of love
On Mothers' Day.

The plants and flowers
Are tokens bright
Expressing thoughts
Of great delight.
We plan the day
With loving care
And speak our hearts
For Mothers' there.

One day we grant
In all the year
To make a queen
Of one so dear.
It's all we give
And well she earns
The joy she'll have
Till May returns.

Restaurant Chain Signs Contract for Hyde Park Site

Hyde Park, N. Y., May 3 (AP)—A restaurant chain has signed a long-term contract for a large plot of land on the site of the late President Franklin D. Roosevelt.

Nearly 400 acres went on sale yesterday for development for residential or business purposes.

Barthold P. Day, agent for trustees of the estate, said that if the deal with the restaurant chain is carried through, a "very attractive type of year-round restaurant" will be built. He declined to identify the chain.

The restaurant would be in a position to attract the thousands of persons who visit the Roosevelt historic site. The land up for sale lies along the Albany Post road directly opposite the Roosevelt mansion and memorial library, which now are owned by the government.

The trustees, in offering the land for sale, are disposing of the last acreage remaining in their hands out of the late president's extensive property.

A tract of 842 acres was purchased from the trustees by the president's widow for \$85,000 and she and her son, Elliott, are operating a farm project on it.

The remaining land will be offered in plots of from seven to 100 acres, Day said, and the trustees have imposed restrictions to prevent improper exploitation of the property, because of the closeness of some of it to the Roosevelt national historic site.

The site includes the late President's birthplace and grave as well as the Franklin D. Roosevelt Memorial Library.

Day said any buildings erected along the Albany Post road opposite the museum must be set back 100 feet.

As much of the property as possible will be disposed of by private sale, he said, and any land left will be put up at public auction, probably in the fall.

Will Be Sunk at Sea
Vallejo, Calif., May 3 (AP)—The heavy cruiser Salt Lake City, inactive from her target ship role in the Bikini atomic bomb tests, will be sunk at sea by surface units the last week in May, officials at Mare Island Navy Yard said today.

The 1929-built veteran of Pacific warfare from the Solomons to the Aleutians is presumed to be at Kwajalein. Other radio-active ships have been sunk in that area recently.

Miss Kellems Asks She Be Indicted For Breaking Law
Saugatuck, Conn., May 3 (AP)—Miss Vivien Kellems, outspoken manufacturer, has urged Secretary of the Treasury Snyder to have her indicted so the legality of the withholding tax law can be tested.

"I consider it my duty as a citizen to break this law," she said Saturday in a letter to Snyder.

"I am deliberately violating this law," said Miss Kellems, who announced last February that she was stopping withholding of taxes from the 100 employees in her Connecticut plant.

Recalling that unions had brought about a test of clauses of the Taft-Hartley Act by paying for political advertisements, she said "These union were quickly indicted and are well on their way to court."

"I feel sure," she told Snyder, "that the government will wish to extend the same cooperation and courtesy to me, even though I am only a small employer. Therefore, I respectfully request that you please indict me."

Miss Kellems, who sent with her letter receipts for wages deducted for January and the first two weeks of February, said she stopped the deductions after February 13.

BLOOMINGTON
Bloomington, May 1 — The church congregational dinner held Thursday night was well attended. Reports given by both the treasurer and secretary of the various organizations indicated everything in good standing.

Those attending from out of town were the Rev. and Mrs. John B. Stokes, Miss Christina Hess, Mrs. Blanche Brown of Kingston, Mr. and Mrs. Chester Newell of Lake Katrine and Mr. and Mrs. Longstreet of Brooklyn.

Thorwald Neilson is a patient at the Kingston Hospital.

Mr. and Mrs. H. H. Niebergall of Bloomfield, N. J., have been spending a few days with Mr. and Mrs. Neal Hotelling.

Mr. and Mrs. Lawrence F. Jordan of Bloomington Terrace were tendered a 'surprise' housewarming by relatives and friends recently.

Mr. and Mrs. Charles Yewman of Long Island spent the past week-end with Mr. and Mrs. Henry Lange.

Mrs. Henry Swehla and son of Tillson spent Wednesday visiting her grandmother, Mrs. A. Knight.

The Mother's Club of Creek Locks School has expressed appreciation to those who assisted in the recent supper.

The annual school meeting will be held in the school house Tuesday at 7:30 p. m.

The Missionary Union will hold its spring luncheon May 6 in the First Reformed Church, Kingston. Those planning to attend are asked to contact Mrs. Charles F. Doty for reservations and tickets.

Freedom Train Panel Is Named

Will Carry Documents All Over New York State

Albany, N. Y., May 1 (AP)—Governor Dewey's office announced today the appointment of Gerald H. Salisbury, managing editor of Albany's Knickerbocker News, to head the State Freedom Train Commission.

The governor also named four other members, and legislative leaders made six appointments to the 11-member commission, which will make plans for a statewide showing of New York's historical documents.

Dewey designated Wallace A. Brennan, editor of the Dunkirk Evening Observer and president of the New York State Society of Newspaper Editors, as vice-chairman.

His other appointees were Harry Fritchard, Talcott of Brewster, New York city stockbroker; Herbert C. Campbell, state publicity director, and Dr. Charles F. Gosnell, state librarian.

Senator Benjamin F. Feinberg, temporary president of the Senate, appointed Senators Henry W. Griffith of Albany and Robert C. Groeben of Utica, Republicans, and James J. Crawford of New York, a Democrat.

Assembly Speaker Oswald D. Heck selected Assemblyman Elmer J. Kellman of Hancock and Assemblywoman Maude E. Ten Eyck of New York, both Republicans, and Assemblyman John P. Morrissey, New York city, Democrat.

Salisbury is chairman of committees named by the state's editors and publishers to cooperate in putting the Freedom Train on the rails.

The 1948 Legislature authorized creation of the commission and gave it a \$50,000 appropriation. The commission is charged with formulating and executing plans, in cooperation with the State Education Department and the State Library.

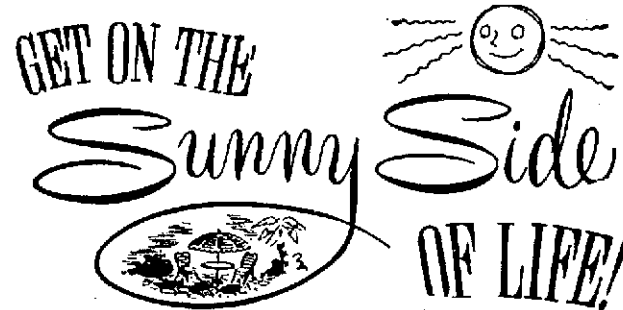

The project was initiated in Albany last January at a joint meeting of the State Publishers Association, The State Society of Newspaper Editors and the State Associated Dailies.

Rare documents from the State Library and other historical data will be carried in three special railroad cars on a tour tentatively scheduled to start during National Newspaper Week in October.

All over America... Smokers Report

NO CIGARETTE HANGOVER

when you smoke PHILIP MORRIS!

—because PHILIP MORRIS is

DEFINITELY LESS IRRITATING

than any other leading brand!

If you're tired of "cigarette hangover"—that stale, musty taste in your mouth—that dry, smoked-out feeling in your throat—remember this ...

All over America scores of smokers who changed to PHILIP MORRIS have written entirely unsolicited to tell us they now enjoy a milder smoke, a fresher, cleaner smoke than they've ever known before.

And for a good reason—because PHILIP MORRIS is the ONE, the ONLY leading cigarette recognized by eminent nose and throat specialists as definitely less irritating.

NO OTHER CIGARETTE CAN MAKE THAT STATEMENT!

Read What One of America's Top-Ranking Doctors Says About PHILIP MORRIS

"In cases of irritation of the nose or throat, it is my usual practice with my patients who smoke to suggest that they change to PHILIP MORRIS. I inform them that the reason for this advice is that I am convinced that they are less irritating than other cigarettes."

From one of a series of PROFESSIONAL STATEMENTS by EMINENT NOSE AND THROAT SPECIALISTS.

Meteors and Meteors

Although 7,000,000,000 meteors enter the earth's atmosphere yearly, only a few thousand get through without being burned up by friction. Of these, less than a thousand are large enough to be recognized, and less than one-half dozen are found each year and turned into museums.

Traffic Officers Throw Book at Hot Rod

Los Angeles, May 3 (AP)—Traffic officers threw the book at Maurice R. Chasse. They charged him with 31 violations which they say were committed within five minutes yesterday.

When Chasse drove his hot rod into a holiday stand two officers issued a citation charging him with reckless driving, reckless changing of lanes, four counts; turning from wrong lanes, three counts; cutting corners, three counts; ignoring three boulevard stops; two speeding counts; two right-of-way violations; cutting in on other cars, four counts; racing, one crosswalk violation; wrong side of street, two counts; failure to make hand signals, four counts, and failure to yield to the police traffic car's siren.

The traffic officer's pencil had a very blunt point by this time so he tore out the ticket and gave it to Chasse.

Are People Really Switching to Calvert?

Are people really switching to the whiskey that's smoother, milder, better tasting?

Positively!

At a time when total U.S. consumption of distilled spirits* is substantially DOWN... purchases of Calvert Reserve are at an ALL-TIME HIGH.

Positively... people must be switching to Calvert Reserve.

And here's why:

All across America... value-conscious folks are finding that Calvert Reserve really is smoother, really is better tasting, really is the better buy.

If you are looking for a smoother, better tasting whiskey... try Calvert Reserve yourself. We predict you, too, will join the thousands who have switched to Calvert!

Lt. Henry H. Bolz, Jr., U. S. Army, Marries Patricia A. Matthews at Fair Street Church

The Fair Street Reformed Church was the setting Saturday evening for the wedding of Miss Patricia Anne Matthews, daughter of Mr. and Mrs. Stanley J. Matthews of Hurley to Lt. Henry H. Bolz, Jr., West Point, son of Mr. and Mrs. Henry H. Bolz of Decatur, Ill. The ceremony was performed at 7:30 o'clock by the Rev. J. Dean Dykstra, pastor.

Walter Bultrick sang because and at Dawning preceding the ceremony and The Lord's Prayer during the ceremony. Mrs. William S. Eltinge, organist, played traditional wedding marches as well as Adoration by Borowski. Officiate, Low, New Green; and Claire de Long, Debussy, a favorite of the bride. The church was decorated with wood warden ferns and white lilies. It was a military wedding by candlelight and the ushers formed an arch of sabers after the ceremony.

Mr. Matthews gave his daughter in marriage. Her white satin gown was trimmed with lace embroidered with seed pearls. She wore a bridal veil of French illusion and her hair was worn by three generations and caught in a cap of the same lace. She carried white lilies.

Mrs. Lloyd Newcombe, Catskill, was her sister's matron of honor. Other attendants were Mrs. Bruce Hoffman, Mrs. William Verghitt, New York City, Miss Samice Bolz, Decatur, Ill.

Good Taste Today

ADVICE TO GUM CHEWERS

The president of the junior class of a high school asks me to print my recommendations for the use of chewing-gum particularly in classrooms, study halls and concerts. She says further: "There has been much discussion on this subject and most of the teachers make objections."

I agree with the teachers as to the unsuitability of chewing gum in classrooms for wherever behavior is not supposed to be relaxed. In recreation periods and at sports no objection to chewing gum can be made—(unless it is bubble gum). Nor need chewing gum be barred in the study period if chewers will do so unobtrusively. (The difficulty here is that few of the audible ones are conscious of how they chew.)

A Wedding Question

Dear Mrs. Post: Would it be proper for me to wear a gray suit, gray hat with some bright green trimming, and possibly may like shoes and bag, at my wedding? We are going to be married at the rectory with about a dozen guests, and our attendants, having dinner for all in a restaurant afterward.

Widow May Use Part of Coat-of-Arms

Dear Mrs. Post: Recently you stated that a widow is not entitled to use her deceased husband's coat-of-arms. This was news to me. I thought she had as much right to continue using this as his name—which you always encourage her using instead of calling herself Mrs. Mary. Did I mistake you?

Answer: Partly. She may, of course, continue to use the silver or other household objects that had belonged to her husband or his family marked with his coat-of-arms. But for her personal use, such as on her stationery, proper usage is restricted to the device on the shield of her husband's coat-of-arms, transferred to a lozenge.

Master of Mister

Dear Mrs. Post: Is there a specific age group of young men that should be given the title Master? If so, at what age does this title, Master, change to Mister?

Answer: Master applies from the day he is born until he reaches his teens. Above the age

Health for All**PUBLIC ENEMY TB**

Tuberculosis is an insidious disease that can strike any individual. Because it can be easily spread from person to person, it is a public health menace as well. It is among the leading causes of deaths in this country, taking the lives of 30,000 Americans each year. People spend tuberculosis germs unknowingly because the disease gives no visible warning while in its early stages. No community's health is safe while it harbors a single undiscovered case of tuberculosis.

The bad habit that most of us have of delaying our medical check-ups until we are very ill is especially favorable to the spread of tuberculosis. It cannot be over-emphasized that the onset of tuberculosis has no early outward symptoms. By the time a tuberculous person has the recognized symptoms—steady loss of weight, constant fatigue without apparent reason, a chronic cough with sputum, his disease is no longer in an early stage. This usually means that for weeks or even months the person has been showing tuberculosis germs while coughing, sneezing or even just talking and laughing, thus endangering those about him.

That is why the nationwide fight against tuberculosis features the importance and value of chest

X-ray examination. Even though the disease is ordinarily "invisible" when it first strikes, the X-ray can show tell-tale shadows on the lungs before tuberculosis becomes advanced. And it is only the X-ray that can "see" these suspicious shadows. So one of our best methods of finding unknown cases of tuberculosis is by X-raying the chests of those who appear to be healthy people.

The person who suspects that he might have tuberculosis and still puts off getting his chest X-ray is doing himself a great injustice, as well as endangering his family. Tuberculosis is curable in all stages, but the earlier it is found, the more quickly it can be cured. Complete bed rest under medical supervision is essential to the cure.

Of course, the doctor cannot make a definite diagnosis of tuberculosis on the results of a chest X-ray alone. But the X-ray will reveal any suspicious signs of the disease and other tests will be made to make certain whether or not a person has tuberculosis.

In the interests of his own sound health and that of his family and associates, every adult should get a periodic chest X-ray. Neglect and delay are inexcusable these days when getting it takes a minimum of time and trouble. Your doctor or your tuberculosis association can advise you where and how to get your X-ray examination and answer any questions you may have on tuberculosis.

In the next article, use and abuse of the eyes will be discussed. This column is sponsored, in the interest of better health, by the Ulster County Tuberculosis and Health Association, 74 John street, Kingston, N. Y.

On Air Tonight**RALPH BELLAMY**

"Sheriff Mat Blake," the latest episode of the "Lest We Forget—The American Dream" series will be broadcast tonight over Station WKNY at 8:30. This fast-paced drama of a Mexican-American threatened with lynching by an anti-Mexican mob stars Ralph Bellamy as the sheriff who refused to let prejudice triumph over justice. Featured in the cast is Edwin Bruce, well-known child actor. The show was directed by Earle McGill and features the music of Rosa Rio, famous NBC organist.

Cadillac**INDIVIDUALITY**

Just as the 1948 Cadillac differs from all other cars in the character of its quality and performance—so does it differ in individuality of appearance. More than ever before, Cadillac's inner goodness is now being mirrored in its outward beauty. You can actually see the degree of Cadillac leadership as the car flashes past on the highway. As a result, thousands who have not previously aspired to Cadillac ownership are deciding to make Cadillac their next motor car. Orders placed with dealers in the past few months have broken all records in Cadillac's long history of public approval. Have you seen the new Cadillac? If not, you are welcome to call at our showrooms at any time.

Morgan's Nine Defeats Saugerties Legion in Opener, 7 to 6

Sensational Catch by Ball Throttles Losers in Ninth

Throttling a Saugerties Legion uprising by a spectacular leaping catch by Billy Ball in the ninth inning, Morgan's Restaurant, a prime City League contender, opened its 1948 season with a 7-6 victory Sunday at Cantine Field in Saugerties.

Morgan's held a slim 7-6 margin after a see-saw battle when the home tossers batted in the ninth. Les Brink drew a pass from Tommy Fischer, third Morgan hurler, and Desmond singled for his third safety.

Ball Saves Game
Keenan popped to Alan Vogt on an attempted sacrifice and Benjamin hoisted to Billy Gavis at third base. Muckle, a substitute right fielder, cracked what appeared to be a line drive single to right center when Billy Ball came up with a sensational one-handed catch to end the game.

The Kingston tossers were never headed after clustering three runs in the third for a 3-2 margin. The Legion team tied the score 4-4 in the fifth but Morgan's scored twice in the seventh and again in the eighth. Saugerties picked up single tallies in the seventh and eighth.

Winners Outlit
Saugerties outlived Morgan's, 11 to 8, with the most of the batting order. Brink and Desmond, each getting a trip of safeties, Joe Benjamin poked two singles for the Legion.

Sunny Barnes with a game opening double and two singles was the only Morgan player to connect safely more than once. Arlie Barnes, who survived a rocky start, was the winning hurler. Bud Swarthout and Tommy Fischer also worked for Morgan. Bud Zoller's nine.

Barry Brice, good looking young southpaw, went the distance for the home club. Eight Saugerties errors contributed to his downfall.

Leaders Unchanged in Women's Bowling

Utica, N. Y., May 3 (AP)—Leaders in the State Women's Bowling Tournament were not seriously threatened in a busy week-end of bowling.

Ann Westfall and Esther Lehner of Albany moved into second place yesterday in the class B division with a combined 1041 total.

Heleen Shear of Binghamton took over third place in the all-events division with a nine-game total of 2607.

Mark's team of Malone edged into fifth place in the booster team standings with a three-game total of 2007.

Citation in Full Pursuit Of Racing's 'Triple Crown'

Louisville, May 3 (AP)—The "rock-ern-and-sock-ern" combination of Kentucky Derby record smashers, Calumet Farm's Citation and Jack Eddie Arcaro, set dead aim today on a few more marks in their quest for the coveted triple crown—America's diadem of three-year-old racing supremacy.

While old Louisville slowly returned to normalcy after Citation and Arcaro showed how a boss race should be run Saturday, all eyes were turned on the approaching Preakness and Belmont stakes. Usually the Preakness, to be run at Pimlico in Baltimore May 15, comes one week after the Derby but there'll be no hustle and bustle to the railroad car and the trip to Maryland this time. The trainers can bide their time, and speculate on the apparent futility of challenging Citation and his nifty-stepping stablemate, Coaltown.

The Belmont stakes at New York follows June 12, and completes the triple crown lineup.

Won With Whirlaway
Arcaro could be the first jockey ever to ride two triple crown colts. Only seven horses have been able to grab the elusive triple since the first Derby was run in 1875. Calumet's Whirlaway and Eddie himself did the job once in 1941.

The 74th Derby had been tagged for Citation months in advance and the Calumet speedster merely followed the script before some 90,000 at Churchill Downs. He colored his tablemate, Coaltown, coming into the stretch and then won by three and a half lengths. Ben Whitaker's My Request, heavily backed by Texas money, was third and then followed Billings, Grandpere and Escadru, strung out. Citation's time was 2:05 2/5 over the slow track.

Meanwhile, the Preakness field was indefinite. Trainer Ben Jones said Citation and Coaltown probably would leave for Baltimore Tuesday or Wednesday. My Request is expected to depart Wednesday.

C. V. Whitney's Mount Marcy, second to My Request in the Wood Memorial, is a strong possibility. While King Ranch's Better Self, Greentree's Kilroy, and A. J. Sackett's Gasperilla might like to take on the Calumets at the Preakness distance of a mile and three sixteenths.

Costliest Battle
Costliest operation of the U. S. Navy in World War 2 was sunk, and 49 others seriously damaged.

Maroon Battles Beacon Tuesday

Kingston High's undefeated baseball squad seeks its fourth straight victory Tuesday against Beacon High at municipal stadium at 4 p. m.

Coach Bill Burke is expected to choose his starter from among the secondary Maroon hurlers—Joe "The Claw" Albany, Everett Landers or Dan Brown.

Kingston defeated Beacon in a hard fought game, 2-0, last week at Beacon.

'Baby Split' in 10th Frame Balks Possible 300

Dot Flemings, a topnotch woman bowler who has had only a so-so season, thrilled the Mixed League gallery by firing nine strikes in a row in last night's match between S&C Lunch and Igloo Rest.

After ordinary efforts of 138 and 133, the dark haired backup expert started pounding the 1-3 pocket with deadly accuracy.

Nine times in succession, she cleared the alleys of maples on powerful 1-3 pocket shots. Then, with a high ball, over the crowd, she came up for her tenth frame on alley 8.

With the first 300 game ever rolled by a Kingston woman back-rolling her, Mrs. Flemings fired her 10th ball slightly "high" and it crossed the head-pin leaving the 6-10 "baby split." She failed to negotiate either pin and settled for a 264, the highest game of her career and a new Mixed League record for women. Her triple was 335.

S&C Takes Lead

Mrs. Flemings' spectacular shooting paced S&C Lunch to a new team single record of 1018.

Charlie Tiano fired games of 223, 214 and 234 for a 671 triple.

S&C Lunch swept five out of six games against Igloo Rest and E. Van Kleeck's to regain first place by a single game margin over Colonial Cleaners, who dropped four out of six. The league schedule winds up next week.

Sam Moss rolled 180-196 in the crucial S&C-Igloo match in which the league leaders prevailed by a pin and 2 pins in the first two sets. Palmer Broadhead rolled 206.

Elsewhere in the loop, John Sangi posted 210; Ella Lowe 499; Evelyn Francis 491; J. Sangi 200-563; Ev Moore 201-511; Dick Howard 201-565; Rose Schatzel 185-519; Big Ben Krom 202-519; J. Schatzel 211.

Kiner, Mize and Williams Still Pack Home Run Wallop; Ask the Pitchers

By JOE REICHLER, Associated Press Staff Writer

It may be a new baseball season, but major league pitchers are still looking for their sorrows, that Ralph Kiner, Johnny Mize and Ted Williams still pack that old home run wallop.

Each of the three home run kings of 1947 crashed four-baggers yesterday to lead their respective teams to important victories.

Kiner, whose 34 homers tied Mize for the National League championship, cracked two to pace the surprising Pirates to a 6-4 win over the Cincinnati Reds in Pittsburgh. Both were hit off Lanky Ewell, who came in with two men on base. They were his second and third of the season.

Pirates in First

At 1:05 p.m. was Pittsburgh's home run, which broke a 1-1 tie. The home run was the first of a four-run lead over the Cincinnati Reds in the National League. The second half of the game was postponed on account of rain.

YMCA Boys Department Plans Spring Baseball-Swim Program

An intensive May-June athletic program for boys of the Y.M.C.A. with emphasis on baseball was announced today by Lou Schafer, physical director of the "Y."

The baseball program will be staged at the Athletic Field and will co-incide with an intensified swimming schedule in the Y pool. Chick Correll, Boys' Work Secretary, will develop his program between the play periods and will be at the Athletic Field to add to the supervision of the entire spring setup.

The Cadet Group, with boys ages between 11 and 14 years, will be organized into a baseball league to end June 25th. All Cadets are asked to report to the Y.M.C.A. Boys' department, Friday afternoon, May 7, if they wish to be placed on one of the baseball teams. Cadet games will be played every Monday and Friday.

Other Schedules

The Kiwanis and Rotary Club groups usually meeting on Monday will meet every Saturday morning at 9 at the "Y" and they will go to the Athletic Field with their supervisor. Swimming will follow the baseball program.

The Junior Boys, between the ages of 14 and 17, will have a baseball team, and will play games every Saturday morning at the Athletic Field at 10:30. A schedule is being arranged with neighborhood teams in and around Kingston. This age group was the making of the Cheerlo basketball team of the past season, sponsored by the F. B. Matthews & Co., Inc.

Swimming will follow all athletic periods. Boys desiring to learn how to swim can contact either Lou Schafer or Chick Correll and a class will be arranged.

Rhinebeck Midget Races Open Banner Season Tuesday Night

When the Rhinebeck Speedway opens with its 1948 "lid lifter" Tuesday night, a completely new brand of racing will be offered for the first time to midget auto racing for fans in the Hudson valley.

Among other things, promoter Steve Iko is increasing the number of laps per heat and in the semi-final event. There will be three qualifying heats of 12 laps each instead of the former 10.

The semi-finals will be increased from 12 to 15 laps; special event 12 laps; consolation race from 12 to 15 and the feature will be 25 laps, making eight thrilling events in each event.

During the past few years of midget auto racing, the so-called "standard" was that the first 6 cars across the finish line in each of the two semi-finals made up the first 12 cars in the feature race. For example, if a driver won the semi-finals, he started on the pole or in front of every other driver in the feature, 2, 3, and 4, etc., as they finished in the semi-finals.

With the new ruling, the entire procedure is reversed with the fastest cars starting in the rear of the line up for the feature. The 13th and 14th cars are added from the consolation event. These two are the fastest from a race consisting of all non-qualifiers.

The opening with this reverse start will definitely create the hottest competition ever presented before because 30 cars will be in action during the night and the fastest 14 will line up for the 25 grueling laps of a nerve shattering feature and a driver winning the feature will pass most of the cars during previous events of the night must again start all the way back behind the entire field instead of in the front.

The possibility of a good driver and car to take it easy or "stroke" during his semi and finish 5th or 6th so that he will start in front or "pole" in the feature has been eliminated also because each semi-final will pay off almost as much to the winner as will the feature event so therefore no driver can afford to lose that chance of between \$300 and \$400.

Sharkey to Take Part in Show at Kerhonkson High

Kerhonkson, May 3—Mark Huling's famous seal Sharkey will perform for the Kerhonkson Parent-Teacher Association in the high school auditorium at 8 p. m. Wednesday under sponsorship of the Kerhonkson Lions Club.

Sharkey, who has been appearing in all parts of the nation in the highest paid animal act in the world, will give the same performance which has made him and his master high-ranking figures in the entertainment world. Among his recent appearances were those at the Edgewater Beach Hotel, Chicago; Radio City Music Hall, New York; and a series of sportsman's shows in various parts of the nation. The act is currently booked for 10 outstanding fairs in various regions of the country.

The program for the Kerhonkson Parent-Teacher Association was arranged through cooperation of Alton L. Kinsworth, principal of the Kerhonkson school, Dr. Solomon Shapiro, president of the Kerhonkson Lions Club, and Arthur Chipp, chairman of the committee sponsoring the performance.

Shriners Take Part in Spring Ceremony

Saturday afternoon and evening several hundred Shriners witnessed the spring ceremonial of Cyprus Temple at Albany when 87 candidates walked the "hot sands of Mecca" and became members of Cyprus Temple. Among the candidates was Mortimer Englander of Kingston.

A large delegation from Kingston made the trip by bus. One of the living examples of what the great fraternity is doing was demonstrated by a little eight year old girl from Schenectady who had never before been able to walk until she was treated at the Shriners hospital at Springfield, Saturday. The little girl walked on the stage and is now able to play like normal children due to the aid given her at one of the fourteen Shriners hospitals which are maintained in North America. These hospitals are non-sectarian and are supported by the Shriners of the country.

Special Prayers Asked

National City, May 3 (AP)—Pope XII has asked for special prayers during May for the "happy triumph of peace" in Palestine. The Pope's plea was in a letter to Roman Catholic bishops of the world dated May 1 and made public today. This encyclical also asked for prayers for the return of "mutual respect, fraternal and full among all men and the desired concord between all social classes." He said that conditions in Palestine and the lack of "transformation of minds and hearts" are subjects that "affect and anguish our heart."

Reports 'Special Mission'

Paris, May 3 (AP)—Miron C. Taylor said today he is "in Paris on a special mission for the President, but I'm working for Mr. Truman and he does the talking." Taylor, the President's special representative at the Vatican, said he could not discuss a report he was sounding out European governmental leaders on the possibility of outlawing Communist parties. He arrived here last night from London. He said he was planning to return to Rome in a few days.

Would Out Communism

New York, May 3 (AP)—Harold K. Stassen says it has been "definitely demonstrated all over the world that the Communist party should be outlawed." Such a move in this country, he said last night, would not violate any basic democratic rights, and he added that these rights "do not include the organization of subversive units, taking orders from Moscow." The Republican presidential aspirant reiterated his position about outlawing the Communist party in this country as he left by train for Cleveland.

received a one-rating classed as superior.

This was the first time an orchestra was entered in competitions from the Kingston schools. The judges commented on the size of the orchestra and especially the string section as being large for a junior high school group. Schools from the surrounding areas entered the competitions.

Although there were no other instrumental groups entered from the local schools, Miss Helen Kukuk of Kingston High School played a bassoon solo. Her rating has not been released.

Adjudicators were Charles Budenstein of Clinton and Miss Marie Van den Broeck of Roosevelt, L.I. The M.J.M. orchestra will appear in a program open to the public at the Myron J. Michael School, Tuesday evening, May 11, when the school's choral groups, modern dance groups and orchestra will perform.

Child Is Burned At Woodstock; Is Taken to Hospital

Woodstock, May 3—Perrie Skolnik, 12, daughter of Archer Skolnik of New York, summer residents here, received second and third degree burns when her clothing caught fire while playing around a small fire Sunday morning.

According to the report, the youngster had gone to visit Cornelia Hartman on the Bearsville road and was outside with her twin sister, when the accident occurred.

Dr. Hans Cohn was notified but before he arrived the child was taken to his office for treatment and then to the Kingston Hospital where her condition was reported as fairly good today.

Bernard Is Held For Grand Jury on Larceny Charge

Edward Anthony Bernard, 27, of 317 Broadway, waived examination when arraigned in city court this morning on a charge of grand larceny in the first degree. He was ordered held for the grand jury.

Bernard, who was released from Kingston Hospital today, was injured in an automobile accident on Albany avenue early Sunday morning, April 25. Police who investigated the accident declared the car in which he was injured was the one previously reported stolen from Joseph Damis of 35 Gill street, and placed him under arrest at the hospital.

McGrath Reports

His Auto Stolen

James McGrath, Lawrenceville street, Lincoln Park, reported to state police Saturday night that his car had been stolen from the yard in front of the Pleasant Valley Inn. The car was recovered a short time later by the owner at Broadway near East Union street in this city.

A coat found in the car was taken to police headquarters, and was found to belong to Charles J. Tiano, Freeman sports editor, who had previously reported it stolen from his car, which was also parked at the Pleasant Valley Inn, where Tiano was attending the banquet of the Hercules Bowling Club.
